Consent

Authorization to review student records and statement of compliance

I affirm that the information as part of, and in support of, this application is complete and correct. I agree to report any changes in this information to the Ivy Tech financial aid office. I understand that if I knowingly make a false statement or a misrepresentation on this form or any financial aid form, I may be liable for repayment of financial aid received. I also understand that I will be subject to penalties, including suspension or expulsion from the college, according to the standards and practices of Ivy Tech Community College. I authorize the Ivy Tech Scholarship Committee to review my academic or financial records necessary for the purpose of scholarship selection. In addition, the submission of this application assumes approval for appropriate publicity in the local news media if named an award recipient.

Consent for release of information

I, the undersigned, an applicant for scholarships with Ivy Tech Community College, allow Ivy Tech to obtain any required information that pertains to scholarships for which I have applied. I hereby authorize the release of information to/by Ivy Tech concerning: verification of wages, employment, educational and academic history, (i.e. transcripts, class registration/schedule, attendance, progress reports and financial aid information) and any other pertinent information. I understand that any information requested/provided will assist in determining eligibility for scholarships and shall remain confidential. This release will remain effective three (3) years from the date signed.

Applicant's signature _____ Date _____

Signature of parent/guardian if applicant is under 18 years old _____

High school counselor signature (if applicable) _____

HS GPA/Class ranking (if applicable) _____

Ivy Tech Community College is an accredited, equal opportunity/affirmative action state college.

- 1. Attend a general information session.** New students wishing to learn more about Ivy Tech Community College and its services are invited to attend an information session as the first step in the enrollment process. Students interested in the practical nursing, associate of science in nursing, surgical technology, respiratory care, paramedic science, dental assisting or medical assisting programs must attend a health sciences information session instead of a general information session.

For a listing of general information sessions or health sciences information sessions, go to www.ivytech.edu/kokomo and click on information sessions under the Admissions/student services tab.

To register for one of the sessions, please call the admissions office at (765) 459-0561 or (800) 459-0561, ext. 458.
- 2. Complete an Ivy Tech application for admission form** or apply for admission online at <https://web4.ivytech.edu/ahomepg.htm> .
- 3. Submit official high school transcript or GED scores.** Students who have attended other colleges or universities also should request official transcripts from those institutions to be evaluated for possible transfer of credit. Transcripts are considered official only when received by the Admissions Office in a sealed envelope.
- 4. Apply for financial aid** online at www.fafsa.ed.gov, or you may fill out a Free Application for Federal Student Aid (FAFSA) form. To apply for scholarships, you must also complete an Ivy Tech Community College Scholarship Application form.
- 5. Schedule an appointment** to take the COMPASS academic skills assessment in the Learning Resource Center (LRC). Call (800) 459-0561, ext. 515. Note: Assessment testing may be waived if the applicant submits either an official transcript from an accredited post-secondary institution indicating successful achievement or acceptable alternative standardized test scores (ie.. SAT, ACT.) Contact the admissions office for details.
- 6. Make an appointment to meet with your academic advisor** to discuss your degree program and register for classes. See reverse side for contact names and phone numbers.
- 7. Attend new student orientation.** Watch for details in the mail.
- 8. Obtain a student I.D. card** in the LRC during the second week of classes.

Request for transcript

Request for high school transcript, GED scores or college transcript

Date of request _____

Name _____ Social security number _____

Maiden name _____

Address _____ City _____ State _____ Zip _____

Date of birth _____ Phone number () _____

To the student requesting a high school transcript or GED score

1. Complete and mail this form to your high school or GED institution.
2. You are responsible for all fees that may be required for submitting a transcript.
3. If you are still in high school and have not graduated, you will need to wait until after you have graduated to request a transcript.
4. If you are requesting the transcript for the SAT scores to waive a placement test and have not graduated, you will need to submit for the transcript twice—once for the scores and once after you are officially graduated.

High school graduation date _____ GED completion date _____

Parent information

Mother's name _____ Father's name _____

Signature(s)

Student signature (required) _____

If you are under 18, a parent's signature is required.

Parent signature _____

Indicate the campus to which you want your transcript sent:

Attention high school/GED institution

The official transcript must have a graduation date, including an official signature or high school seal to be acceptable. It must be received directly from your institution. All transcripts must be delivered via US Postal Service. Mail to the campus indicated above by the student.

To the student requesting a college transcript

1. Complete and mail this form to the college your previously attended.
2. You are responsible for all fees that may be required for submitting a transcript.
3. The transcript must have an official signature and college/university seal.

Attention Registrar

The official transcript must have an official signature and seal to be acceptable. It must be received directly from your institution. All transcripts must be delivered via US Postal Service. Mail to Ivy Tech Community College, Attn: Director of Admissions, P.O. Box 1373, Kokomo, IN 46903-1373.

Signature

I hereby authorize release of my official transcript to Ivy Tech Community College.

Student signature (required) _____ Date _____

AGRICULTURE

CAREERS IN THIS FIELD

AI Technician • Fertilizer and Pesticide Applicator

Herdsman • Home Farm Operator

Livestock Manager • Management

Precision Agriculture Technician • Seed Agronomist

Seed Research Technician • Set-up Technician

Indiana's agriculture industry is high-growth and high-tech, with science and technology playing a role in almost every phase of agricultural production. Changes in the technology and business of agriculture have tremendous potential for our economy, the environment and your future. High-tech intensive crop and livestock techniques, biofuels, seed genetics, precision ag technology, and sophisticated marketing and research activities all require educated, well-trained workers.

CONCENTRATIONS IN THIS PROGRAM

AGRICULTURE BUSINESS MANAGEMENT

The Agriculture Business Management concentration prepares students for management positions in various agriculture businesses, including marketing, processing, supply service, production, management and farming operations. Students will study sales, advertising, merchandising, economics, farm management, marketing agronomy and animal science.

AGRICULTURE EQUIPMENT MANAGEMENT

The Agriculture Equipment Management concentration prepares individuals for a career in the agriculture equipment industry. Students will study agriculture business management while learning about the principles of machinery in agriculture production. Career opportunities include parts assistants, setup technicians, and office support in agriculture equipment businesses.

CROP MANAGEMENT

Our state is well-known for corn and soybeans, but changing technology is broadening the scope of crop management in Indiana. In this concentration, students will study the science behind crop management, learn how to maximize profit and production, adapt to changing environmental conditions, and use new technology in agronomic row crop management. Career opportunities include fertilizer and pesticide applicators, seed agronomist, precision agriculture technicians, seed research technicians and home farm operators.

LIVESTOCK MANAGEMENT

The livestock industry is ever-changing and offers a wide variety of career opportunities. The Livestock Management concentration helps prepare students for these opportunities through coursework in animal physiology and nutrition, housing facilities, waste management, herd management, and marketing techniques to maximize productivity of a livestock herd or poultry flock. Positions in the livestock industry include herd/flock manager, feed/supply sales, veterinarian technician, meat inspector, or animal breeder.

Not all concentrations are offered at all campuses. Please contact your local Ivy Tech Community College campus for more information.

ASSOCIATE OF SCIENCE DEGREE PROGRAM (AS)

For Transfer to Purdue University

The associate of science degree in agriculture provides students with a strong foundation of agriculture, math, science and general education courses. The AS degree will prepare you to transfer into one of Purdue University's agriculture degree programs. You will complete foundation coursework needed to successfully complete a bachelor's degree.

- 15 credit hours of transfer agriculture courses
- 46 credit hours of general educational courses needed

ASSOCIATE OF APPLIED SCIENCE DEGREE (AAS)

The associate of applied science degree program in agriculture will immerse students in the field with 27 credit hours in core agriculture courses, 19 general education credit hours and 18 credit hours in one of four agriculture concentrations. A supervised agriculture internship is also required to complete the degree. This internship allows students to apply concepts learned in the classroom, while developing connections within the agriculture industry.

To learn more about employment and salary information for careers in this field, visit the U.S. Department of Labor's Bureau of Labor Statistics website at www.bls.gov and the Indiana Department of Workforce Development website at www.in.gov/dwd.

ASSOCIATE OF SCIENCE (AS) IN AGRICULTURE

Transferring to Purdue University to study a College of Agriculture major

Graduates with Ivy Tech's AS in Agriculture are prepared to enter Purdue University's College of Agriculture. At Purdue, an AS graduate will have:

- 60 credits that transfer to Purdue
 - 15 agriculture credits
 - 45 general education credits
- Junior status

Once at Purdue, AS graduates will be able to focus almost entirely on agriculture coursework.

Courses required for Ivy Tech's AS degree:

Agriculture

AGRI 110	Intro to Ag Econ & Business
AGRI 111	Intro to Crop Production
AGRI 113	Intro to Animal Science
AGRI 114	Intro to Ag Systems Mgmt
AGRI 210	Mgmt Methods for Ag

General Education

BIOL 121	General Biology
CHEM 101	Introductory Chemistry I
CHEM 102	Introductory Chemistry II
COMM 101	Fundamentals of Public Speaking
ECON 201	Principles of Macroeconomics
ENGL 111	English Composition
ENGL 112	Exposition and Persuasion
MATH 115	Statistics
MATH 201	Brief Calculus I
SPAN 101	Spanish I
SPAN 102	Spanish 2
IVYT XXX*	Life Skills Course

*Does not transfer to Purdue

ASSOCIATE OF APPLIED SCIENCE (AAS) IN AGRICULTURE

An AAS degree prepares a graduate to enter the agriculture industry workforce in a variety of roles.

AGRICULTURE CORE COURSES

AGRI 100	Intro to Ag
AGRI 101	Ag Data Mgmt
AGRI 110	Intro to Ag Econ & Business
AGRI 111	Intro to Crop Production
AGRI 113	Intro to Animal Science
AGRI 114	Intro to Ag Systems Mgmt
AGRI 117	Soil Science
AGRI 200	Precision Farming Technology
AGRI 210	Mgmt Methods for Ag

Internship: All AAS students are required to complete a minimum of 3 credit hours in an agriculture industry internship to gain hands-on experience prior to entering the workforce.

CONCENTRATIONS AVAILABLE AT THE KOKOMO REGION:

AG BUSINESS MANAGEMENT

Courses:

AGRI 204	Ag Salesmanship
AGRI 207	Ag Marketing
AGRI 208	Ag Financial Records
AGRI 209	Ag Commodity Marketing

AG EQUIPMENT MANAGEMENT

Courses:

AGRI 213	Ag Equipment Power Systems
AGRI 219	Crop Machinery & Equipment
AUTO 152	Diesel Theory
MINT 104	Fluid Power Basics

CROP MANAGEMENT

Courses:

AGRI 216	Disease & Insect ID & Control
AGRI 217	Soil Fertility
AGRI 218	Weed ID & Control
AGRI 219	Crop Machinery & Equipment

APPLY FOR ADMISSION

You can apply for admission to Ivy Tech Community College online at www.ivytech.edu/apply-now. There is no application fee.
